

Jessica dos Santos Pizzo, Ph.D.

Postdoctoral Fellow

Department of Horticulture | Auburn University

EDUCATION

Ph.D. in Chemistry

03/2019 - 09/2022

State University of Maringá, Maringá, PR, Brazil

Dissertation: Direct determination of the lipid profile of vegetable oils and body oils by Atmospheric Solids Analysis Probe Mass Spectrometry (ASAP-MS)

M.S. in Chemistry

03/2017 - 02/2019

State University of Maringá, Maringá, PR, Brazil

Thesis: Assessment of adulteration of cosmetics based on vegetable oils by GC-FID and direct infusion by ESI-MS.

B.S. in Chemistry

02/2011 – 01/2015

State University of Maringá, Maringá, PR, Brazil

PROFESSIONAL EXPERIENCE

Postdoctoral Fellow

09/2024 – Present

Department of Horticulture, Auburn University | Auburn, AL

- Develop and validate analytical methods for detecting food contaminants and pathogens.
- Evaluate the effects of chemical components on *Salmonella enterica* growth, survival, and inactivation on food surfaces.
- Analyze experimental data and contribute to the writing of research grant proposals.
- Lead both applied and basic research projects, manage laboratory activities, and coordinate team efforts.
- Conduct interdisciplinary research integrating food safety, analytical chemistry, and food systems.
- Author or co-author of six peer-reviewed manuscripts currently under review or in preparation.
- Mentor four graduate students in experimental design, data analysis, and scientific writing.
- Collaborate with faculty from Horticulture, Chemistry, Geosciences, and Food Science, as well as external research partners.

Postdoctoral Fellow

11/2023 – 09/2024

Department of Chemistry and Biochemistry, Auburn University | Auburn, AL

- Developed and optimized an LC-IM-MS/MS method to identify lipid and peptide biomarkers for efficient discrimination of foodborne pathogens.
- Optimized a solid-phase extraction method for bacterial lipid recovery and a peptide digestion protocol.
- Contributed to the writing and preparation of a research grant proposal.
- Analyzed scientific data and authored or co-authored two published peer-reviewed manuscripts, with one additional manuscript currently in preparation.
- Presented research findings at one conference and one symposium.
- Mentored two Ph.D. students in research design, experimental procedures, and data analysis.

Visiting Research Scholar

03/2022 – 10/2023

Department of Horticulture, Auburn University | Auburn, AL

- Evaluated the use of essential oil emulsions as natural sanitizers against *Escherichia coli* in postharvest washing of three lettuce varieties.

- Optimized and validated a GC-MS method to quantify terpenes in tomato leaf trichomes using a leaf dip extraction method.
- Authored or co-authored three published peer-reviewed manuscripts.
- Mentored one M.S. student and one Ph.D. student in research design, experimental procedures, and data analysis.
- Collaborated with multidisciplinary research teams on studies related to food safety and quality.

Graduate Research Assistant

Department of Chemistry, State University of Maringá | Maringá, PR, Brazil

03/2017 - 09/2022

- Optimized and applied ASAP-MS to determine triacylglycerol profiles in vegetable oils, body oils, and eggs from different housing systems.
- Determined lipid profiles and fatty acid compositions in human milk, vegetable oils, omega-3 supplements, dog food, body oils, oral/enteral nutrition supplements, and fish using GC-FID and ESI-MS.
- Developed and validated UHPLC-MS/MS methods for quantifying L-ascorbic acid in vitamin C serums and phenolic compounds in hibiscus extracts.
- Applied lipid extraction methods, including Bligh and Dyer, pressure-based extraction, Folch, and ISO 5509:1978, across different matrices.
- Conducted independent research and collaborated with interdisciplinary teams in analytical chemistry, food science, and nutrition.
- Authored or co-authored 30 peer-reviewed publications and one book chapter.
- Mentored one undergraduate and two M.S. students in experimental research design and data analysis.
- Presented research findings at two conferences.

A: RESEARCH AND SCHOLARLY ACTIVITIES

Peer-Review Publications – Dr. Pizzo has authored or co-authored 39 peer-reviewed journal articles in her career.

B: INSTRUCTION AND SUPERVISION

Graduate Teaching Assistant

- 1.** **Pizzo, J. S.** 2020 – Introduction to proteins, peptides, and amino acids (DQI5002). Supervised teaching in the undergraduate level at the State University of Maringá, Maringá, Brazil. Supervisor: Dr. Oscar Oliveira dos Santos Junior.

Invited Lecturer

- 1.** **Pizzo, J. S.** 2023. International Connections: Study and Research in the USA. Department Food Science, State University of Maringá. Invited Lecturer (12 students).
- 2.** **Pizzo, J. S.** 2020. Literature as a driver of personal and professional growth. Coca-Cola FEMSA, Maringá, Parana, Brazil.

Graduate Committee Activities

Role	Student	Degree	Major	Complete Date
Member	Luciana Pelissari Manin	Ph.D.	Food Science (State University of Maringá)	2023

Academic Advising and Supervision

- 1.** 2025 - Co-Mentor, *Sara Paz* (M.S. student), Auburn University, USA.
- 2.** 2025 - Co-Mentor, *Victor Hugo Maldonado da Cruz* (Visiting Research Scholar, Ph.D. student State University of Maringá, Brazil), Auburn University, USA.
- 3.** 2025 - Co-Mentor, *Alex Lahue* (M.S. student), Auburn University, USA.
- 4.** 2025 - Co-Mentor, *Luan Wesley Aparecido Pereira Alves* (M.S. student), Auburn University, USA.
- 5.** 2025 - Co-Mentor, *Lucas Barion de Oliveira* (M.S. student), Auburn University, USA.
- 6.** 2024 - Primary Mentor, *Sheba P. Maaji* (Ph.D. student), Auburn University, USA.
- 7.** 2024 - Co-Mentor, *Iffat Jerin* (Ph.D. student), Auburn University, USA.
- 8.** 2023 - Co-Mentor, *Thiago Rutz da Silva*, (Ph.D. student), Auburn University, USA.
- 9.** 2022 - Co-Mentor, *Vania Paula Mickos*, (M.S. student), Auburn University, USA.
- 10.** 2019 - 2021 – Co-Mentor, *Victor Hugo Maldonado da Cruz* (M.S. student), State University of Maringá, Brazil.
- 11.** 2019 - Co-Mentor, *Orivaldo José da Silva Filho* (M.S. student), State University of Maringá, Brazil.
- 12.** 2019 - Primary Mentor, *Alisson de Lima Figueiredo* (Undergraduate student), State University of Maringá, Brazil.

C: PUBLIC SERVICE AND OUTREACH

Radio and Internet Interviews

1. McConnell, A.; Criado, M.; Rodrigues, C.; **Pizzo Jessica, S.**; Chevez, Z.; Hamid, A. M.; Olajide, O.; Kartowikromo, K.; Cheng, Z. Gather 'round the table: Auburn is keeping your meal safe this Thanksgiving. 2024. https://aub.ie/food_safety
2. **Pizzo, J. S.** Phone interview. Department of Chemistry at State University of Maringa about my journey as an alumni student. November 2022.

Extension and Outreach Activities

1. 2025 – Technical visit (4 hours): Kontos Farms, LLC, Steele, AL, USA.
2. 2013 - Technical Visit (4 hours): Petróleo Brasileiro S.A. (PETROBRAS), Rio de Janeiro, Brazil.
3. 2013 - Technical Visit (4 hours): RACCO Cosméticos, Curitiba, Brazil.
4. 2013 - VI UNIPET Activity Cycle: Participated in the 6th edition of the UNIPET Cycle, engaging in academic and outreach activities organized by the university's Tutorial Education Program (PET), State University of Maringa, PR, Brazil.
5. 2012 - Technical Visit (8 hours): Rhodia Brasil S.A., Paulínia, SP, Brazil.
6. 2012 - V UNIPET Activity Cycle: Participated in the 5th edition of the UNIPET Cycle, engaging in academic and outreach activities organized by the university's Tutorial Education Program (PET), State University of Maringa, PR, Brazil.

Extension Programs

1. 2013 – Chemistry Show (PET QUIMICA)

Delivered public demonstrations of chemical concepts to K–12 students in Maringa and surrounding areas. The initiative aimed to promote interest in science through engaging, hands-on presentations grounded in scientific principles.

D: PROFISSIONAL SERVICE

Professional Affiliations and Membership

1. American Society for Mass Spectrometry (ASMS)
2. National Postdoctoral Association
3. TIGER Tech Leaders

Reviewer for Scientific Journals

1. Acta Scientiarum. Technology
2. Analytical Science Advances
3. Molecules
4. Antibiotics
5. Journal of Food Measurement and Characterization

Meeting and Symposia Service

1. 2025 - Organized the Whitefly Meeting as part of USDA ARS collaborative research efforts, Auburn University, Auburn, AL, USA.
2. 2013 - Organized the XXIX Chemistry Week, Department of Chemistry, State University of Maringa, PR, Brazil.
3. 2012 - Organized the XXIII Chemistry Week, Department of Chemistry, State University of Maringa, PR, Brazil.
4. 2012 - Organized the Meeting of PET Groups in the Southern Region, State University of Maringa, PR, Brazil.

University Service

1. 2013 - Quicalourada: Participated in organizing an orientation and integration event for new Chemistry students, State University of Maringá, PR, Brazil.
2. 2013 – II Science Show fair: Contributed to a public exhibition showcasing graduate research projects from State University of Maringá, with the goal of promoting science communication and community engagement.
3. 2013 – XVI Career Exploration Day: Promoted the undergraduate Chemistry program during a university-wide outreach event, State University of Maringá, PR, Brazil.
4. 2012 – XV Career Exploration Day: Promoted the undergraduate Chemistry program during a university-wide outreach event, State University of Maringá, PR, Brazil.

Honors and Awards

1. 2019 - Research article selected as the cover image of the *European Journal of Lipid Science and Technology* (2019, v. 121, No. 6).
2. 2018 - Research article selected as the cover image of the *Journal of the Brazilian Chemical Society* (October 2018, v. 29, No. 12).
3. 2015 - Graduate in Chemistry with honors, State University of Maringá, Brazil.
4. 2015 - Outstanding Undergraduate Student Award, State University of Maringá, Brazil.
5. 2014 - Outstanding Undergraduate Student Award, State University of Maringá, Brazil.
6. 2013 - Outstanding Undergraduate Student Award, State University of Maringá, Brazil.
7. 2012 - Outstanding Undergraduate Student Award, State University of Maringá, Brazil.

Volunteer Work

1. 2024 – Poster Judge, COAG Graduate Research Poster Showcase, Auburn University, USA.
2. 2013 – Internship in the Quality Control laboratory, Gelita do Brasil, Maringá, PR, Brazil.
